## Neotech Campus – Event report

Name of Institute: Neotech Institute of Physiotherapy

NC/NIP /Event report/2024-25/004

Date: 12/11/2024

Live demonstration of physiotherapy tools like TENS units, resistance bands, and walking aids.

Guidance on how to use aids correctly to improve mobility and independence.

### 9. Outcomes of the Event:

1. Improved Access to Healthcare
2. Early Detection and Intervention
3. Community Awareness and Empowerment
4. Health Education Impact

### 10. Feedback Summary:

Villagers expressed gratitude for the free and accessible physiotherapy services

Some participants requested regular camps or ongoing physiotherapy support, especially for chronic or severe conditions.

The Physiotherapy Camp at Virod Village was a resounding success, creating a strong impact on community health and awareness. It was highly appreciated by the villagers, and it highlighted the ongoing need for accessible physiotherapy services in rural areas

### 11. Conclusion & Acknowledgment:

The Physiotherapy Camp at Virod Village successfully fulfilled its objective of delivering essential rehabilitative care and spreading awareness about physical health among the rural population. The camp enabled early diagnosis, offered free treatment to individuals with musculoskeletal and neurological conditions, and provided valuable health education to prevent future complications.

All participants and patients, whose engagement made the camp meaningful and impactful.
