- Immediate shortlisting and hiring for internships and full-time positions.

Multiple organizations offered roles across speech therapy, occupational therapy, and behavioural therapy.

### 9. Outcomes of the Event:

Numerous participants received job and internship offers from reputed child development centers and hospitals.

Strong connections were built between students, employers, and industry experts, fostering future collaboration and mentorship.

The event positioned New Horizon Child Developmental Center as a leader in bridging education and employment in child-focused rehabilitation.

Based on the success of the seminar, plans were initiated to make it a recurring event for continued support of upcoming professionals.

### 10. Feedback Summary:

Appreciated the opportunity to interact directly with recruiters.

Found the resume-building and interview skills workshops especially helpful.

Many reported feeling more confident and better prepared to enter the workforce.

The seminar was widely seen as a valuable stepping stone for emerging professionals in child development and rehabilitation, with strong interest expressed for future editions of the event

### 11. Conclusion & Acknowledgment:

The Placement Seminar organized by New Horizon Child Developmental Center successfully achieved its goal of empowering aspiring professionals in the fields of child development, therapy, and rehabilitation. Through direct engagement with industry experts, recruiters, and healthcare organizations, participants gained practical knowledge, career guidance, and employment opportunities. The event not only bridged the gap between academic learning and clinical practice but also inspired confidence and clarity among attendees about their career paths in pediatric care.

- All participating students and young professionals for their active involvement and enthusiasm.
