understanding of the curriculum, college policies, available resources, and the practical aspects of their studies, setting the tone for a productive and engaging academic year. The positive feedback from both students and faculty underscores the program's effectiveness in fostering a sense of belonging, boosting student confidence, and preparing them for both academic and professional growth in the field of physiotherapy.

The 1st Year BPT students for their enthusiastic participation and engagement throughout the orientation program.

The faculty members, department heads, and staff for their time, expertise, and efforts in guiding the students and ensuring the smooth flow of the event.

The organizing committee and volunteers for their hard work in coordinating and executing the program successfully.

Senior students and alumni for sharing their experiences and providing valuable insights into the BPT program and career paths.

The administration for their continued support and commitment to enhancing student experience and academic success.
