

## Undertaking

### FOOD SAFETY

Neotech Campus have in-house canteen facility, where a standard quality food with good hygiene is offered for students, staff, and visitors.

- We maintain the canteen with sanitary and hygienic standards and workers hygiene as specified according to the category of food business.
- We maintain daily records of production, raw materials utilization and sales separately.
- We ensure that the source and standards of raw material used are of optimum quality.
- We ensure clean-in-place system (whatever necessary) for regular cleaning of machine &
- We ensure that as much as possible the required temperature shall be maintained throughout
- The supply chain from the place of procurement or sourcing till it reaches the end consumer including chilling, transportation, storage etc.
- We buy and sell food products only from, or to, licensed / registered vendors and maintain record thereof.
