

### Institution-Industry Cell

To strengthen the relationship between industry and our institute, the Industry-Institution Interaction Cell was established which provides an excellent platform for both the students as well as the faculty members to be aware of industry expectations from the graduates. Institution – Industry Cell promotes in equipping faculty to latest practices and makes the students industry-ready by providing exposure to current industry practices and hone their skills to adapt changing technologies.

#### Objectives:

- ② To explore and identify common avenues of interaction with industry
- ② To Establish Centre of Excellence by Industry/ Corporate to Provide Real Time exposure on Technologies
- ② To promote various research activities by the faculty members and students.
- ② To establish convergence with industrial and research organizations from various fields through MOUs as a form of interaction.
