Neotech Institute of Engineering, Computer Department organized a **Carrier Development program by Gate Forum** for 4<sup>th</sup> semester students at Neotech Technical Campus on 18<sup>th</sup> April 2017.

A seminar was organized for informing students about the **Future Competitive Exams**. The main focus of this seminar was for the **GATE Examinations** that are going to be compulsory in near future. All students of semester 4 were gathered in hall for the same. There was an interactive session, the respected faculty explained importance of the GATE examination.

**GATE examination is a very high level, competitive exam taken after the Engineering for applying Masters.** The GATE paper are set by different IITs all over India. The latest GATE paper of 2017 was organized by IIT ROORKEE. GATE attempt ion is necessary **for placement in any MNCs like ONGC, DRDO, BARC, ISRO etc. and even for admission in IIT colleges.**

Thus the seminar was very informative, and crucial for the future of engineering students.
