

Neotech Institute of Pharmacy NATIONAL SCIENCE DAY

Date: 28/02/2024

Neotech Institute of Pharmacy (NIPH) hosted a vibrant event on 28th February 2024, commemorating National Science Day in Classroom 1 (F-1). The day marked a nod to the pivotal discovery of Indian physicist Sir C. V. Raman.

The highlight of the event was a spirited Quiz Competition that saw active participation. Team C, comprised of Dhruv Modi, Hitakshi Sheth, and Mitsu Patel, and emerged as the triumphant winners, showcasing both knowledge and teamwork. The day at NIPH was not only a tribute to scientific achievement but also a testament to the institute's commitment to fostering intellectual engagement and collaborative learning.
