"Women's Day Celebration"

Date: 12/03/2025

The International Women's Day celebration organized by Neotech Institute of Pharmacy was a resounding success. The event served as a powerful reminder of the progress that has been made in advancing women's rights, as well as the work that still remains to be done. It is our hope that the discussions and ideas generated at the event will continue to inspire action and contribute to the creation of a more gender-equal world.
