# NEOTECH INSTITUTE OF PHARMACY

## “Visit to Analytical Laboratory”

Date: 30<sup>th</sup> January 2025

Company name- Educroma Analytical Training and Service Centre, Vadodara

On January 30<sup>th</sup> 2025, Neotech Institute of Pharmacy arranged one day Industrial visit for B. PHARM 6<sup>th</sup> sem students to EDUCROMA ANALYTICAL LAB with Dr. Aanju Bhandole (HOD and Associate Professor). This visit was mainly focused on to understand the procedures involved during chromatographic procedures, the technology and the equipments used and Mr. Akash guided students for instruments handling and care of instruments. He also explained about chromatography, HPLC, sampling procedures, calibration of lab instruments. This was followed by technical explanation of HPLC by Mrs. Kamini Solanki. Students were shown the working of HPLC by running 2-3 random samples and maintenance of the equipment.
