### EDWISE OVERSEAS EDUCATION SEMINAR ON PHARMA STUDIES

Date: 08/01/2025

The EDWISE Overseas Education Seminar, held at NIPH's Classroom-1 (F-1), was an informative event focused on international opportunities for pharmaceutical courses. Education consultants from EDWISE gave an overview of options in different countries and universities. The seminar covered important details about academic programs, research facilities, and career opportunities. Interactive sessions offered personalized advice on admissions and scholarships, and networking opportunities allowed students to connect with consultants and fellow attendees. The seminar successfully helped students learn more about pursuing international education in pharmaceutical studies.
