Date: 13-12-2021

8. Key Highlights:

1. Active involvement of students and faculty in public outreach.
2. Distribution of informative pamphlets at three different locations.
3. Strong public engagement and promotion of voluntary blood donation.

9. Outcomes of the Event:

- a. The campaign reached a broad local audience across three different areas.
- b. Improved public understanding of the benefits and safety of blood donation.
- c. Fostered a culture of community service and social responsibility among students.
- d. Successfully laid the groundwork for participation in the upcoming blood donation drive.

10. Feedback Summary:

The campaign was appreciated by the local community for its informative and socially impactful message. Students gained real-world experience in public health outreach, and faculty commended their active involvement and discipline during the campaign.

Conclusion & Acknowledgment:

The three-day Campaigning for Blood Donation Camp was a resounding success. It fulfilled its objectives of creating awareness and encouraging public participation in healthcare initiatives.

Acknowledgment:

We thank all the participating students and faculty for their dedicated efforts. Special gratitude to the management of Neotech Institute of Paramedical Sciences for their support in executing this public welfare initiative.
